Feed & Care

- We feed **Tributes's Essential K** ration balancer and **Bartlett's Performance Pellets**. If you have your own feed that you'd like to supply your horse, then we are happy to use that.
- There are no deductions for using a different hay; you provide, we'll feed it.
- Our **standard blanketing policy** for full-board horses is one blanket & a fly mask at no charge, while specialized blanketing will be \$2.00 a day. Pasture-boarded horses are generally taken care of by owner. However, in cases that we need to blanket a horse, the minimum charge is \$50.00/month and can go as high as \$100/month, depending on needs.
- All **supplements** must be put together by owner in small plastic containers with Horse's name and AM or PM on the container. We will give the supplements with their feed at no charge.
- **Simple farrier support** (trim) - \$10.00 each time
- **Complex farrier support** (shoes) - \$20.00 per hour
- **Simple veterinary support** (30 minutes or less) - \$10.00
- **Complex veterinary support** (31 minutes or more) - \$20.00 per hour
- Any of these services may be discontinued by owner or stables at any time with a written statement via email.

* European walker can be used free of charge by a trained horse owner.

Billing

- All billing for Care Services is done in **15 minutes increments**.
- Billing is **due on the 1st**.
- A bill is considered **late on the 5th** unless other arrangements have been made in writing. A **\$5.00 per day fee** will be added for late board.
